## ABOUT US

At Clarence Park Baptist Church our aim is to worship God and to serve the community in which we live.

We are ordinary people, from all walks of life, who have the same joys and sorrows, cares and concerns that are common to us all. Yet, we believe that God's presence in our lives gives us strength to face these difficulties. The teaching of the Bible and the love and support of this fellowship are all a source of hope and courage through good times and bad.

## OUR MISSION STATEMENT

We seek to bring people to Jesus, and together grow in our relationship with God and each other as we serve the community

## MISSION NEWS Mission Spot. MAF

In South Sudan there has been a 3-day Healing Hearts Workshop led by MAF's Team Leader Thomas Titus about trying to address intertribal conflict at a personal level. In this way they are trying to get past hurts and revenge culture replaced by forgiveness.

South Sudanese evangelist Raphael Joel says "We thank God for the workshops which is the best way of bringing communities together and to live peacefully. This training has nothing to do with politics, it is just about God working in the hearts of people and touching them as individuals. Some of the training was not easy even for me to see the whole community as one tribe. It has taught me as a Christian we must be united in diversity. The training changed the way I think. God can do something wonderful in every community in South Sudan",

Please pray that peace, healing and forgiveness will come amongst the various tribes in South Sudan.

## Worship Jam

Please join us to learn new songs/share some familiar ones.  
Bring your instruments and share in fellowship through making music together.  
**PLEASE NOTE** – we will now be meeting on the 2<sup>nd</sup> Sunday of each month.

If you are worshipping with us today and would like us to contact you or visit, please tear off this strip and put it in the collection plate and we will get back to you asap.
