## ABOUT US

At Clarence Park Baptist Church our aim is to worship God and to serve the community in which we live.

We are ordinary people, from all walks of life, who have the same joys and sorrows, cares and concerns that are common to us all. Yet, we believe that God's presence in our lives gives us strength to face these difficulties. The teaching of the Bible and the love and support of this fellowship are all a source of hope and courage through good times and bad.

## OUR MISSION STATEMENT

We seek to bring people to Jesus, and together grow in our relationship with God and each other as we serve the community

MISSION NEWS : Mission Spot.

There are thought to be about 46 million Christians living in China according to the authorities, but unofficial estimates are put at double that number.

In the town of Longtan in southeastern China are a community of Christians. It is not the richest town in China by any means, but these people are content. If you look at their Bibles, it will give you an indication of what makes them content as the pages are battered and torn as they have been turned many times. Some Chinese colleagues of the Bible Society visited recently and told this story. These Christians are blessed with a leader to guide them through the Scriptures but in China there is only one ordained minister for 6,700 Christians. No matter how many leaders are trained the need remains the same because so many people are coming to faith. Although millions of Bibles are distributed in China the people need true leadership as cults are leading people astray. Please pray for more Christian Leaders in China and give thanks for the growing Christian population.
